MONTHLY ACTIVITIES REPORT

25X1A6a [REDACTED] JULY 1958

Section I

GENERAL INFORMATION

1. Effective this report, each of the four groups; War Plans Group (WPG), Strategic Intelligence Group (SIG), Regional Intelligence Group (RIG), Support Group (SG), monthly activities will be a separate portion of the overall station report. This will enable immediate dissemination to Chief, [REDACTED] and Chief, [REDACTED] 25X1A2g [REDACTED] of their portion of the overall report in which they have primary interest. This procedure is a small deviation from that outlined in our first report December 1957, however, believe it will make the overall report more useful.

2. Members of station participated in joint briefings of the following Agency and non-Agency personnel during the month of July:
